

Martial Science University

Presents
Senior Master Professor

Ron Chapél

SubLevel Four Kenpo Concepts™

(Advanced American Kenpo)

“Guaranteed to improve your knowledge and execution.”

According to Black Belt Magazine (8/01), Dr. Ron Chapél “is a **10th Degree Black Belt** and the leading expert on the **SubLevel Four Kenpo™** methodology for **striking nerves and body mechanics**. He is one of the foremost teachers of American Kenpo because of the depth of his knowledge and his continued examination and innovation of the **Ed Parker System.**”

Ron Chapél has 50 years of martial arts, and over 30 years of law enforcement experience as a uniformed **police officer** on the local, and state level. He continues to teach in major police academies and as a **college instructor**. Additionally, he has been assigned to protecting the Governor and Chief Justice of the Supreme Court of California, and most recently on the federal level assigned to Judicial Security as a **Special Deputy United States Marshal**.

Come, ask questions about American Kenpo, and participate in this truly unique **Martial Science** experience, and leave with skill and knowledge you didn't have before. **You will not be disappointed.**
